APPOINTMENTS: A minimum charge will be made for failed or cancelled appointment without prior notification of 24 hours. This fee covers only a portion of the overhead such as salaries, electric, heat, etc., which still has to be paid whether you are present or not. Once an appointment is made, please remember this time has been reserved for the patient.

INSURANCE: To avoid misunderstanding regarding dental insurance, we wish the persons responsible to know that all professional services rendered are charged directly to them and that they are personally responsible for payment of fees. We will prepare necessary forms or reports to help the persons responsible to obtain benefits from insurance companies, upon receipt of full (or partial) payment of bill. We do not render our services on the basis that insurance companies will pay all our fees. Each fee is individual for the individual patient.
